Whether you are now transitioning from the adventurer ministry or you are new to Adventist Youth Ministries, I pray that you will be inspired to continue the pathfinder ministry journey – a life-long experience.

There are many growth and fellowship opportunities well packaged for you this weekend. Please be prepared to practice cybersecurity steps (see insert) as you move between Facebook Live/YouTube platforms, and the Zoom sessions.

As we camp, glamp, celebrate, deliberate, and educate, I pray that you will experience the power and presence of our Almighty God. I pray that all pathfinders/youth/young adults will walk away from this weekend more DETERMINED to Know, Love, & Serve Jesus. May Jesus empower you, like Ruth, to be DETERMINED to GO where He leads.

ATLANTIC UNION ADMIN GREETINGS

On behalf of my wife, Yvonne, the administration of the Atlantic Union Conference and the entire Union family, I extend a special welcome to the almost 3,000 Pathfinders and Master Guides who are celebrating at this Camporee. We are thankful to God that we have such devoted and committed Youth and Young Adults like you, doing exploits for the advancement of God's work. I also want to thank Dr. David McKenzie and his team of directors for their commitment towards the salvation of our youth and young adults.

We are living in a world with a multiplicity of challenges such as the COVID-19 pandemic, racism, violence on every side, financial hardship, and other ills that we face every day. As the youth and young adults of this Union, along with the entire Union family, let us be determined to love, serve, and know Jesus especially at this time in earth's history. May this Camporee experience prove to be beneficial for your spiritual growth and that of those in your sphere of influence.

Dr. G. Earl Knight
President
Atlantic Union Conference

Dr. Pierre Omeler
Executive Secretary
Atlantic Union Conference

To each of you, in whatever place you find yourself. Your resilience and discipline have brought you this far. You are the pathfinder strong, servants of God, friends of man and faithfully marching on in kindness, truth and purity.

As you may feel challenged by social issues, political rivalries, and a global health threats, this is just the unprecedented entrance of the fourth industrial revolution. An event that makes possible for us to meet on a virtual platform. However, you are in the best place today, God's hands. Place your hope and faith on the God of Ruth, though faced with drastic changes, losses, abandonment, disparity, inequality and abuse, he did not vow down to life circumstances.

Pathfinders, stay on course. Love your God with a deeper love, be a passionate follower of Jesus and be "Determined" to serve him in whatever ways you can.

Dr. Elias F. Zabala Sr.
Treasurer/CFO

ATLANTIC UNION CONFERENCE VIRTUAL PATHFINDER CAMPOREE

GUEST SPEAKERS

Pr. Damian Chandler was born in Toronto Canada and raised on the island of Barbados. His ministry journey started in a small church housed in the basement of his home.

It was in that basement church, with only 9 members, that he developed a passion for ministry. At night he could hear the prayers of these humble people rising through the vents into his room. That small church made a large deposit in the spiritual hunger of Pastor Chandler, and it stands as both turning point in his life, and a foundation for his call to ministry.

In 1996 attended Oakwood College, in Huntsville, AL where he graduated with a Bachelors of Arts in Theology. He later furthered his preparation by pursuing and attaining a Masters of Divinity degree from the Adventist Theological Seminary of Andrews University, in Berrien Springs Michigan.

His ministry journey has taken him across the length and breadth of America from Seattle Washington, to Huntsville Alabama. In 2014 Pastor Chandler accepted a call to the Capitol City Seventh-day Adventist Church, in Sacramento California where he now serves as senior pastor.

Known as a creative, his gifts do not end in the pulpit. One of Damian's greatest loves is leading people in worship. He has composed numerous songs now used in praise and worship settings across the country. Pastor Chandler is also a story teller at heart. He has written two books. *The Crooked Christmas Tree*, published by Faithwords, and featured by national retailers like Barnes and Noble, Walmart and Target and his most latest book "I Am Jon". Most recently Pastor Chandler was honored to be the featured nightly speaker for the International Pathfinder Camporee in Oshkosh Wisconsin. Pastor Chandler is passionate about ministry, but he is even more passionate about family. He is married to his partner in life, Tanzy Chandler. Their tribe includes daughter Zoe, and sons Salem and Levi.

Dr. Elias Zabala Sr., is the Treasurer of the Atlantic Union Conference

of Seventh-day Adventists. Academically, he has completed a PhD in Business Administration and master's degrees in Theology and in Business Administration. His organizational leadership experience and functions include serving the church as conference president, executive secretary, treasurer, youth, personal ministries and communication director, and local church pastor. Pastor Zabala's international experience includes more than 22 years of working and preaching in many countries around the world, (USA, Jamaica, Turks & Caicos, Puerto Rico and Dominican Republic) including serving as a frequent speaker for several international events. As a passionate and dedicated leader his current duties involve reaching out to people of diverse cultures, as well as engaging in efforts to develop communities and non-profit institutions. Pastor Zabala lives and works by the philosophy of servant-leadership. He believes that everyone is accountable to someone else, and that our mission is to grow the kingdom of God. He and his wife, Shelly-Ann, have two sons Elias and Patric.
